FILOSOFÍA

Como el **origami**, el arte de transformar sencillas formas en modelos de gran complejidad a través de un material natural, **ONLAC** trata el proceso de diseño de puertas con una gran sensibilidad de la forma y la exactitud en el plano a trabajar, permitiendo la elección de cualquier color Pantone o RAL.

PHILOSOPHY

Like **origami**, the art of transforming simple forms into complex models through natural materials, **ONLAC** treats the design process of their doors with great care and precision, allowing for the selection of any Pantone or RAL colours.

GRUPO 1

ARMONÍA MIDORI

La armonía de los colores vegetales, desde el amarillo verdoso al verde más oscuro, crea una paleta cromática que posee la estabilidad visual de los materiales naturales.

GROUP 1

MIDORI HARMONY

The harmony of the vegetable colours, from greenish yellow to a darker green, creates a chromatic palette with a significant visual stability of the raw material.
