Magama SL empieza su andadura en 1975, cuando Don Pepe Pascual Reyes inicia su actividad de distribución de materiales a carpinterías desde un pequeño bajo comercial situado en el pueblo de Burjassot (Valencia). Después de más de tres décadas, y coincidiendo primera y segunda generación, Magama es hoy un referente tanto a nivel nacional como internacional en diseño, fabricación y distribución de cocinas y sus componentes, así como puertas de armarios, etc..., hasta un total de 80.000 referencias.

Magama dispone de unas instalaciones de 60.000 metros, 100 profesionales debidamente formados y el Saber-Hacer necesario para haber tenido un crecimiento sostenido desde su fundación.

*Magama SL begins its journey in 1975 when Mr. Pepe Pascual Reyes started its distribution activity of materials for carpentries from a small business located in the town of Burjassot (Valencia). After more than three decades, and coinciding first and second generation, Magama is now a nationally and internationally reference in design, manufacture and distribution of kitchens and their components and cabinet doors, etc ..., for a total of 80.000 references.*

*Magama has facilities of 60,000 meters, 100 trained professionals and know-how necessary to have had steady growth since its founding.*
